## 1 Introduction

[Introduction text goes here...]

### 1.1 \*

Key Definitions

1. **Term 1:** Definition...
2. **Term 2:** Definition...

## 2 [Main Topic 1]

[Text content...]

### 2.1 [Subtopic 1.1]

[Text content...]

**Theorem 1 (Important Equation)**

$$E = mc^2$$

*This is a continuation of the above theorem.*

**Corollary 1 (Edge cases)**

*This is a corollary to the above.*

- Bullet point 1
- Bullet point 2

### 2.2 [Subtopic 1.2]

[Text content...]

**Definition 1 (Special theory of relativity)**

This is an example definition.

**Proposition 1 (NVIDIA is better than AMD)**

*This is an example proposition.*

**Claim 1 (I am not claiming anything)**

*Example.*

**Question 1: Very important question**

What is the mass of the earth?

The solution to the above is...

**Note:-**  
Keep this in mind
